You should be made aware that all deposits are NON-REFUNDABLE no matter the amount (the minimum amount is fine). If you should change your mind about your purchase, the deposit will be applied to another dog at a future date. **You should also be aware that Stadtler Schnauzers makes no promises to give a particular puppy from a litter for pet puppy purchases until they have been evaluated.** The only exception is if there are no show sales from that particular litter. Puppies will become available to choose from after they are evaluated as to whether they are show or pet quality. We do not sell breeding quality puppies. All puppies are sold between ages 10 – 12 weeks of age. What puppy there are to choose from depends on your placement on the wait list. Should you change your mind regarding sex and or color and there are already people on the list for that sex and/or color you will be placed behind those people for that sex and/or color despite when your deposit was placed. No deposit checks will be cashed unless they are returned with a signed deposit slip to the above address.

I, _____(your name) do hereby acknowledge the above deposit policy, and I am in agreement with the terms.
